Credit Valley holds The Ice Ball in support of \$45 Million Campaign

On Feb. 26, more than 800 business and community leaders will attend The Credit Valley Hospital Foundation's Annual Gala, sponsored by AstraZeneca.

WHAT: The Ice Ball

This highly-anticipated, black-tie evening will include live and silent auctions, two 'Winning Trees' sponsored by Winners, performances by Mr. Belluzzo, Ms. Narvaez and a spectacular main-stage entertainment surprise. Live auction items include a Montreal hockey package and a trip to Tuscany, Italy. Guests can also enter to win a draw for \$50 in which the winner walks away with 2 round trip tickets anywhere WestJet flies.

WHO: The Credit Valley Hospital Foundation

Supporters of The Credit Valley Hospital attend the gala to raise funds for the priority needs of the hospital. The evening's proceeds will be designated toward the current hospital expansion. The expansion will house a Regional Maternal Child Centre, Regional Genetics program with a laboratory tripled in size and an expanded Palliative Care unit. Those who will benefit go beyond the 700,000 residents in Mississauga to up to two million people living in the surrounding regions. Increasing Credit Valley's overall capacity to 471 beds will reduce wait times in emergency.

Last year's gala raised more than \$400,000 net for The Credit Valley Hospital Foundation.
